INTERNAL MEMO

FROM: PRINCIPAL

TO: ALL TRAINEES/SPONSORS/PARENTS/GUARDIANS

DATE: 5TH OCTOBER, 2020

SUBJECT: E-LEARNING TOOLS IN THE TVET INSTITUTIONS

Reference is made to the Ministry of Education, Directorate of TVET Circular Ref. No.MOE/DTE/2/36 Vol.111(79) dated 29th September, 2020.

As you are aware, most of the TVET Institutions are currently undertaking virtual learning during this COVID-19 pandemic prior to the official opening.

In order to attend the virtual lessons effectively, the students are required to have E-learning facilities such as laptops or desktops and access to the internet.

A number of registered students including those sponsored by National Youth Service (NYS) have been enquiring who should provide such virtual lesson facilities.

You are hereby informed that the provision of the required virtual lesson facilities is the sole responsibility of the sponsors/parents/guardians of such registered students.

The Ministry of Education therefore looks forward to full cooperation from sponsors/parents/guardians regarding this matter.

Thank you.

E.O. Bosire
